Probably not possible. Let's just fire away. I know it is not best professional posture, but they have an election and I'm headed for DC for Heritage Week in the Heritage Month. I would guess near end of Month and I can consult whether it is still that newsworthy then.

I sent the announcement and media advisory to at least 30 media outlets and already received responses from CBS and a couple of Chinese language TV reps. I don't mind sending the cancellation notice but, if possible, it should include the new date/time so we don't have to send a third round of notices announcing the new date. We should press Sharon for a firm date/time.

Subject: Apologies - Day of Inclusion Presentation Postponed

All,

I am so sorry, but have been out sick most of this week and not involved with all the multiple changes of scheduling commitments on Councilmember's calendar.

Unfortunately, there were pre-existing requests that had not been entered on his calendar, when we checked for available dates for council presentation. At present, I do not have a council presentation date for the "Day of Inclusion" Resolution. I will be back in office on Monday, and will try to work out another date, but this is an extremely hectic time for us as you well know.

The Council Resolution has been adopted and May 6, 2017 has been declared as the "Day of Inclusion" by the City Council. Also, May is Asian Pacific Islander Heritage Month, so let's all give this some more thought on possibly a presentation of the Resolution on another date after May 16th either in City Council or in the Community.

Daisy and Al, please share this with CCBA members.

Again, my apologies and appreciate your understanding of our scheduling difficulties during this time.

Sharon
